Please see payment terms at www.ecokleenpb.com/terms-of-service. Please note 3% surcharge if paying via credit card.

The pricing outlined in this quote is not effective for the initial cleaning and will take effect after the initial cleaning is completed, beginning January 2026.

Rate Lock Requirement Beginning July 2026 (Two-Year Cycle):

Beginning July 2026, in order for this pricing to remain locked in, service must be scheduled in July 2026 and then scheduled every six (6) months thereafter for a total of two (2) years. If service is not scheduled within the required six-month intervals, Eco Kleen of the Palm Beaches reserves the right to adjust pricing to current rates at the time of the next scheduled service.

Cancellation & Notice Requirements:

Cancellation of services requires formal written notice submitted via email (to hi@ecokleenpb.com) at least sixty (60) days prior to the next scheduled cleaning. Notice must be sent by an authorized representative of the Association to be considered valid.

If proper notice is provided within this timeframe, the next scheduled cleaning will still be performed at the discounted, locked-in rate, after which services will conclude.

If written notice is not received at least sixty (60) days prior to the next scheduled cleaning, the next scheduled cleaning will still be performed, but will be billed at Eco Kleen of the Palm Beaches' standard, non-discounted rate.

Automatic Expiration & Renewal:

This pricing lock and service commitment will automatically expire at the conclusion of the two-year term. Services will not auto-renew.

To continue with bi-yearly service beyond the two-year term, a new quote and pricing agreement must be approved based on current rates at the time of renewal.

By approving this quote, you also agree to our Terms of Service. To view, visit <https://www.ecokleenpb.com/terms-of-service>.

This quote is valid for the next 30 days, after which values may be subject to change.
