ROOFS

Green Earth Powerwashing is proud to be a "Drug Free Work Place"

Dear Allison,

Thank you for considering Green Earth Powerwashing for your roof cleaning project.

This quote is based on the cleaning of the following...

- ✓ **All roof sections of 29 resident buildings**
- ✓ **Roof of Clubhouse**

Scope of Work

Roof inspection:

Green Earth will complete a roof inspection prior to the roofs being cleaned. This inspection will include:

- Before and after pictures will be provided. In addition, we will provide daily reports (sent to you) indicating our progress and the next day's locations for cleaning.

Soft Wash Cleaning of roof:

- Green Earth proposes to clean all roof surfaces using a soft wash cleaning method which will kill the spores of the mold and mildew and remove the residue, dirt and grime that is present on the roof surfaces.
- **NO** high pressure will be used on the roof surface.
- A solution of 70% water, 20% Sodium Hypochlorite & 10% surfactant will be used so as to prevent any damage to the roof surface.
- Clean, hot (200+ degree) water used to rinse the surfaces.

Cost:

All of the work as outlined above will be completed for the sum of: **\$ 42,825.00.**

Payment:

50% due at signing of contract

Balance due upon completion of project

A Green Earth representative will do a "walk-through" with you when the project is completed to ensure complete satisfaction.

Terms: Because we try always to be price competitive, our terms are net upon receipt of invoice. All payments become past due ten (30) days from invoice date and will have a service charge of 1-1/2% per month (18% per year) added to the original purchase price. Customer is liable for all attorney fees incurred by Green Earth Powerwashing should it prevail in an action to collect any money due hereunder.

This proposal becomes a binding contract when both parties have executed on the signature lines below.
